

Privacy Policy

Equal Studio Inc. (“we” , “us” , or “our”) handles personal information collected through our website and services (the “Services”) as described below.

1. Collection of Personal Information

When you contact us, we may collect personal information such as your name, email address, and the content of your inquiry, within the scope necessary to respond.

We may also collect information related to your use of the website, including browsing history, IP address, and cookies.

2. Purpose of Use

We use the collected personal information for the following purposes:

- ① To respond to inquiries and communicate with you
- ② To provide and improve our services
- ③ To send information when necessary
- ④ To prevent fraud and ensure security
- ⑤ To comply with legal obligations

3. Management of Personal Information

We appropriately manage personal information and take necessary measures to prevent unauthorized access, loss, alteration, or leakage.

4. Provision to Third Parties

We do not provide personal information to third parties except in the following cases:

- ① With your consent
- ② When disclosing to service providers within the scope necessary for business operations
- ③ When required by law

5. Use of Cookies

This website may use cookies to improve usability and analyze usage.

You can disable or delete cookies through your browser settings.

6. External Services

We may use external services for website operation and analysis.

Please refer to the privacy policies of those service providers for details on how your information is handled.

7. Access, Correction, and Deletion of Personal Information

If you request access to, correction, or deletion of your personal information, we will respond appropriately in accordance with applicable laws after confirming your identity.

8. Changes to This Privacy Policy

This policy may be updated as necessary.

The updated policy will take effect once it is posted on this website.
